Although we have, for the last couple of years, kept our prices at or very near to those we were charging in 2018, and have done so again for 2021, our cleaning costs have increased substantially during the Coronavirus pandemic. **It is with regret that we have had to introduce a cleaning surcharge of £15 per booking this summer, to cover the extra costs incurred for additional cleaning time, disinfectant and other materials and their disposal.** We hope that you will understand the need for this and assure you that it will be in place no longer than absolutely necessary.

Bookings for short breaks, mid-week or long weekend (min. charge is for 3 nights) may be available, please ask. Check our website (thelandsendvineries.co.uk) for special offers.

THE LAND'S END VINERIES

BOOKING TERMS AND CONDITIONS 2020

Please note that all the bungalows are non-smoking.

We recommend phoning first to check availability for the busy summer months. Provisional reservations, once taken, will be held for a maximum of four days. If written confirmation (booking form) and a deposit is not received during this time, we reserve the right to re-let the property. Booking forms and deposits received after the four days will be confirmed if the property is still available or the deposit will be returned if the bungalow has been re-let.

Once a booking has been confirmed and a deposit paid, **the balance is payable by two weeks prior to the arrival date.** We do not issue reminders. If the balance is not paid by that time, the bungalow may be re-booked and the deposit will be forfeited. If we are advised in writing that you wish to cancel your holiday, before the date that the balance becomes due, we will endeavour to re-book the bungalow at short notice. However, if it cannot be re-booked, the deposit will not be refunded. **Late bookings**, made *one month or less before arrival date*, must be paid for *in full* when the booking form is returned to us. Please make cheques payable to Mr I. Sutton.

In circumstances outside our control (such as, but not limited to, fire, flood, pandemics, Government orders, customer damage, etc.), we reserve the right to cancel reservations up to and including the date of arrival. Any deposit and/or balance paid will be refunded in these circumstances. We do not accept liability for any costs incurred over and above any amount paid to us for your accommodation.

TV remote controls are issued at check-in, along with the keys. They must be returned, in good condition, with the keys, on departure. Keys which are lost or not returned will be charged at £5.00 per key. Lost/damaged TV remotes will be charged at £20. We reserve the right to make a charge for damages or extra cleaning, should this be necessary.

Dogs and other pets are taken in certain bungalows, by prior arrangement only, while other bungalows are pet-free. For the comfort of all our guests, **dogs and other pets must be provided with their own bedding**, food bowls, etc. and ***must not be allowed to sleep or climb on beds or living room furniture***. Any damage done to the interior of the bungalow by animals will be charged for, as will any extra cleaning charges incurred by soiling or excessive amounts of animal hair on rugs and furniture.

PLEASE do not leave your pet in the bungalow alone for any length of time. If we find that a dog left in the bungalow unattended is in a distressed condition or causing a noise nuisance to other residents, we will, if we are unable to contact the owners, ask the RSPCA or the Council Dog Warden to remove the animal(s) to a kennel. Any kennel/removal charges will be payable by the animal's owners.

Dogs must be kept on a lead at all times when outdoors on the site and must not be allowed to wander in and out of the bungalow unsupervised and off the lead. This is for the safety of the dogs and any children on site and to maintain social distancing. Dogs should not be exercised in the gardens or allowed to soil the gardens or public areas. If soiling cannot be avoided, any mess must be cleaned up immediately by the owner.

It is the responsibility of parents/guardians to supervise children playing in the gardens, for the children's own safety and the comfort and convenience of other guests.

In line with current Government guidelines, please maintain Social Distancing in the communal areas of the grounds, for your own safety and that of other people.
